Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Dynamic Instruction Scheduling (DIS)

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Very Large Scale Integration (VLSI)

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Panopticon Theory

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Afrofuturism

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Confirmation Bias

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Anchoring in Psychology

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Social Psychology

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Zimbardo Prison Experiment

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Milgram Obedience Experiment

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Social Facilitation

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Biometric Identity Checks

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

User Experience

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Information Architecture

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Boolean Search

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Corporate Surveillance

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Human-Centered Computing

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Accessibility vs Disability

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

User Interface

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Digital Discrimination

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Usability Test

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Environmental Racism

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Edge Users

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

AI Recruiting Tools

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Machine Learning

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Algorithms Of Oppression

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

Freedom of Information Act

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

ADA 1990

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

508 Compliance

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

504 Compliance

Name:

Professor Name:

Course:

Date:

Define the word/phrase below. Then give a detailed explanation of what it is. Provide analogies or examples to help define it. What are some positives AND negatives of this? Pros and cons? How does this benefit society? How could this harm society? How does this challenge social norms or the way we live?

The Conway Effect
