Campus Scavenger Hunt: Know Your Campus

Purpose

This scavenger hunt is designed to help you become familiar with key campus resources you will use throughout the semester and beyond. You will work collaboratively, navigate campus spaces, and document your experience.

Group Requirements

- You will work **in groups** (assigned in class).
- **Everyone** in the group must appear in every photo.
- Items marked “**Outside Only**” - The entrance signage or clearly identifiable entrance of each location must be visible in the background.
- Each group member must have **immediate access to all photos** (shared folder, group chat, **AirDrop**, Google Drive, etc.).
- ***Photos will be required for a **future class activity**, so do **not** rely on one person to keep them.***

 **Tip:** Share the photos with all group members as soon as they are taken.

Photo Rules (Read Carefully)

- All group members must be **clearly visible** in every photo.
 - No filters or heavy editing.
 - No screenshots or stock images.
 - If a location is closed, take the photo **outside the entrance** with signage visible.
-

Completion & Dismissal

Once your group has completed **all photos** and shared them with every group member:

-  You are **done for the day**
 -  **Do not return to the classroom**
 -  **Class is dismissed**
-
